RAILROAD FARE.—It is known that immediately after the decision of the court adverse to the exaction by the State of Maryland of one-fifth of the passenger fare on the Washington Branch of the B. & O. railroad, that company reduced the fare accordingly between Baltimore and Washington thirty cents to each passenger, making it \$1 20 instead of \$1 50. From some disagreement, however, between the company and the roads North of Baltimore embraced in the "through line" to New York, as to the proportionate rate of reduction which should be made by each with the view of bringing the "through" fare down from \$8 to a sum which had been previously contemplated, that is \$7.50. passengers from New York and Philadelphia. or from Washington to either of those points, have not had the benefit up to this time of the local reduction on the Washington Branch road. -Bultimore Sun.

CHARLES WHITTLESEY. UNITED STATES COMMISSIONER,

ATTORNEY AND COUNSELLOR IN BANKRUPTCY.

Congress having just amended the Bankrupt law so that nearly all parties can be discharged from their debts unobstructed by the fifty per cent. clause, so-called, another opportunity offers to secure the benefits of this most effective and permanent measure of relief. The above-named will make bankrupt business a specialty; will procure discharges on the most moderate terms, and transact all business in that line at prices which cannot fail to be satisfactory. Being United States Commissioner he will endeavor to visit the different counties on court days, and thus save parties the trouble and expense of several trips to Alexandria in beginning and proceeding with their cases. Discharges can be obtained here before Register Hill as promptly as in Rich mond or elsewhere, and at much less expense to parties. It may be added that the Bankrupt act, in connection with the Homestead exemption which it is now believed will be secured to the bankrupt under the bankrupt law, is the only real relief now offered to parties struggling in the hopeless bondage of old debts.
